

Top 8 Reasons to Buy DigiCert Secure Site

TLS/SSL Certificates

GUIDE

1. Unmatched priority validation & support

Access to a designated priority support and validation phone line with our dedicated team that will stay on the line until all your concerns are resolved.

2. Revolutionary DigiCert Smart Seal

Get the most proactive site seal for modern websites. Display interactive security that is constantly updating with your brand logo at the center.

3. Optional Norton Seal

Now powered by DigiCert, display the internet's highly recognized security logo on your homepage and checkout page for trust you can't buy elsewhere.

4. Proactive Malware Scanning Service

Secure your business and your customer's identities with regular monitoring against 70+ malware and blocklists.

5. PCI Compliance Scanning

Spot vulnerabilities and prepare for PCI compliance with this exclusive service when you upgrade to DigiCert Secure Site EV.

6. Greater flexibility & savings

Add wildcard or multidomain SANs to your certificate at any time. Save for up to six years.

7. Efficient tools to manage certificates

From one pane of glass, DigiCert® CertCentral gives you all the tools you need to track, issue, install and automate your entire certificate inventory.

8. Leading Warranty of \$1.75 million

Get guaranteed peace of mind with security from an industry-leader, in addition to a \$1.75 million warranty.
