The image shows a screenshot of the DigiCert CertCentral Automation Dashboard. The dashboard is displayed on a blue background. It features a sidebar on the left with navigation links for 'API Keys', 'Certificates', 'Domains', 'Accounts', 'Reports', and 'Help'. The main content area is titled 'Dashboard' and includes several widgets: 'Certificate alerts' with a bar chart showing 'Certificates ready to issue' and 'Certificates ready to renew'; 'Expiring certificates' with a bar chart showing 'Expiring certificates' and 'Expiring certificates to renew'; and 'Certificates by CA' with a pie chart showing the distribution of certificates by CA. The DigiCert logo is prominently displayed in the bottom right corner of the dashboard area.
